Winter is here, and the holidays are filled with joy and happiness. As we start a New Year let us be thankful for our friends and neighbors. The Weybridge Board of Trustees and Officers wish everyone a Merry Christmas and a Happy New Year.

The new Weybridge Web site is up and running. What a great way to get up-to-date notifications and announcements. Please take time to register and sign-up.

Copy this link into your browser: <https://weybridge-hoa.com/>. To check if you have subscribed, go to the web site, on the left side menu scroll down to "**Subscribe via Email**". Enter your email address and press the subscribe button.

If you have already subscribed, the web site will tell you. If you didn't sign up yet, an email will be sent to you. You must acknowledge the email by clicking on the embedded link.

None of your emails or personal information will be shared with the public. Copies of the **2019 Residents Directory** and the **2019 Weybridge Plot Map** is included with this issue.

The Weybridge Board has notified several residents about garage doors being left open when unattended. This is not only a code violation, but it is an invitation for theft.

Please remember your landscape and exterior home improvements need approval from Weybridge HOA, before being forwarded to Muirfield Association for final approval.

The forms and guidelines can be found on the Weybridge HOA website. Click on **Resource Center** in

the main menu or obtain them from any of your Weybridge board members.

I want to thank **John Proffitt** and **Pamela Saloom** for their past service as Weybridge Trustees. John has volunteered to continue his service as our new web master. If you have questions about the web site, contact him at: weybridgeweb@gmail.com

Longtime residents **Stan & Mary Krider** will be moving to the Delaware, Ohio area soon, and I want to thank them for their past service on the Weybridge board, as welcome ambassadors, social event planners, and newsletter publisher.

Thanks also to **Sharalyn Dershem** and **Jo Watts** for donating and placing the holiday wreathes at the four Weybridge entrance pillars on Glick Road.

Landscape Report

by **Brent Kleihauer**

By the time you read this issue of *The Bridge*, the final leaf clean-up will no doubt have taken place in Weybridge and the final dormant fertilization applied. The Board is grateful that it has been another cooperative year working with Brightview Landscape Company.

Enclosed with this issue, is the **2019 Landscape Questionnaire**. Use this document to let us know what landscape services you would like during the coming year. This year we have added space for "requests", so you may provide further instructions. Use the back of the form if needed.

Please fill it out and return it to me or drop it in the box at my front entrance: 9396 Muirkirk Dr., by **March 1st**.

We compile the information and provide Brightview with a map that details the specific preferences of each property. It is a system that has generally worked well.

While unwanted services can be eliminated, there will be no adjustment in the quarterly assessment of \$200. And, each property owner is required to maintain their landscape to community standards.

Warm wishes to everyone for a lovely Holiday Season!
