## President's Report

Summer is almost here, and Weybridge looks wonderful and very green.

Your board members conducted the annual spring neighborhood inspection in early May. We look for general building maintenance items, landscape issues, and conformity with Muirfield architectural and landscape standards. Some units will require building repairs, or exterior painting. Several dying or dead trees and shrubs may need replacement.

The Board has approved several *Design Change Requests* which have also been approved by Muirfield Association

This process is now done electronically, so you can simply send your completed request via e-mail to me at:

[Weybridgepresident@gmail.com](mailto:Weybridgepresident@gmail.com). If you are not able to e-mail, you can give me one (1) paper copy of the completed

request and I will forward everything electronically to Muirfield Association for you. If you have any questions, please do not hesitate to call me (614) 286-4048.

## Landscape Report

Co-Chairs:

**Cate Monks: (303) 517-7591**

Landscape services were not up to our standard in May. We have had conversations with Brightview management. They say the cause was their difficulty staffing crews, and the constant wet weather.

They are now up to date on the services they quoted in our contract. As their staffing improves, they plan to set our mow frequency to weekly on each Friday. Lawn growth should taper off in the hotter weather of July and August. We should start to see quality improvement and more consistent mows.

Grass trimming and edging is scheduled for every other mow. Expect shrub pruning this month (June).

Feel to contact us with any concerns.
